FOREWORD

Since the year 1938 marks the one hundred and fiftieth anniversary of the adoption of the Constitution of the United States, we have chosen to commemorate this event in the theme of our annual.

We pay homage to those men who wrote our Constitution. We are proud that we can say, "I too am an American."

We hope that this book will serve to remind Chino High school students of many happy days in dear old C.H.S.

DEDICATION

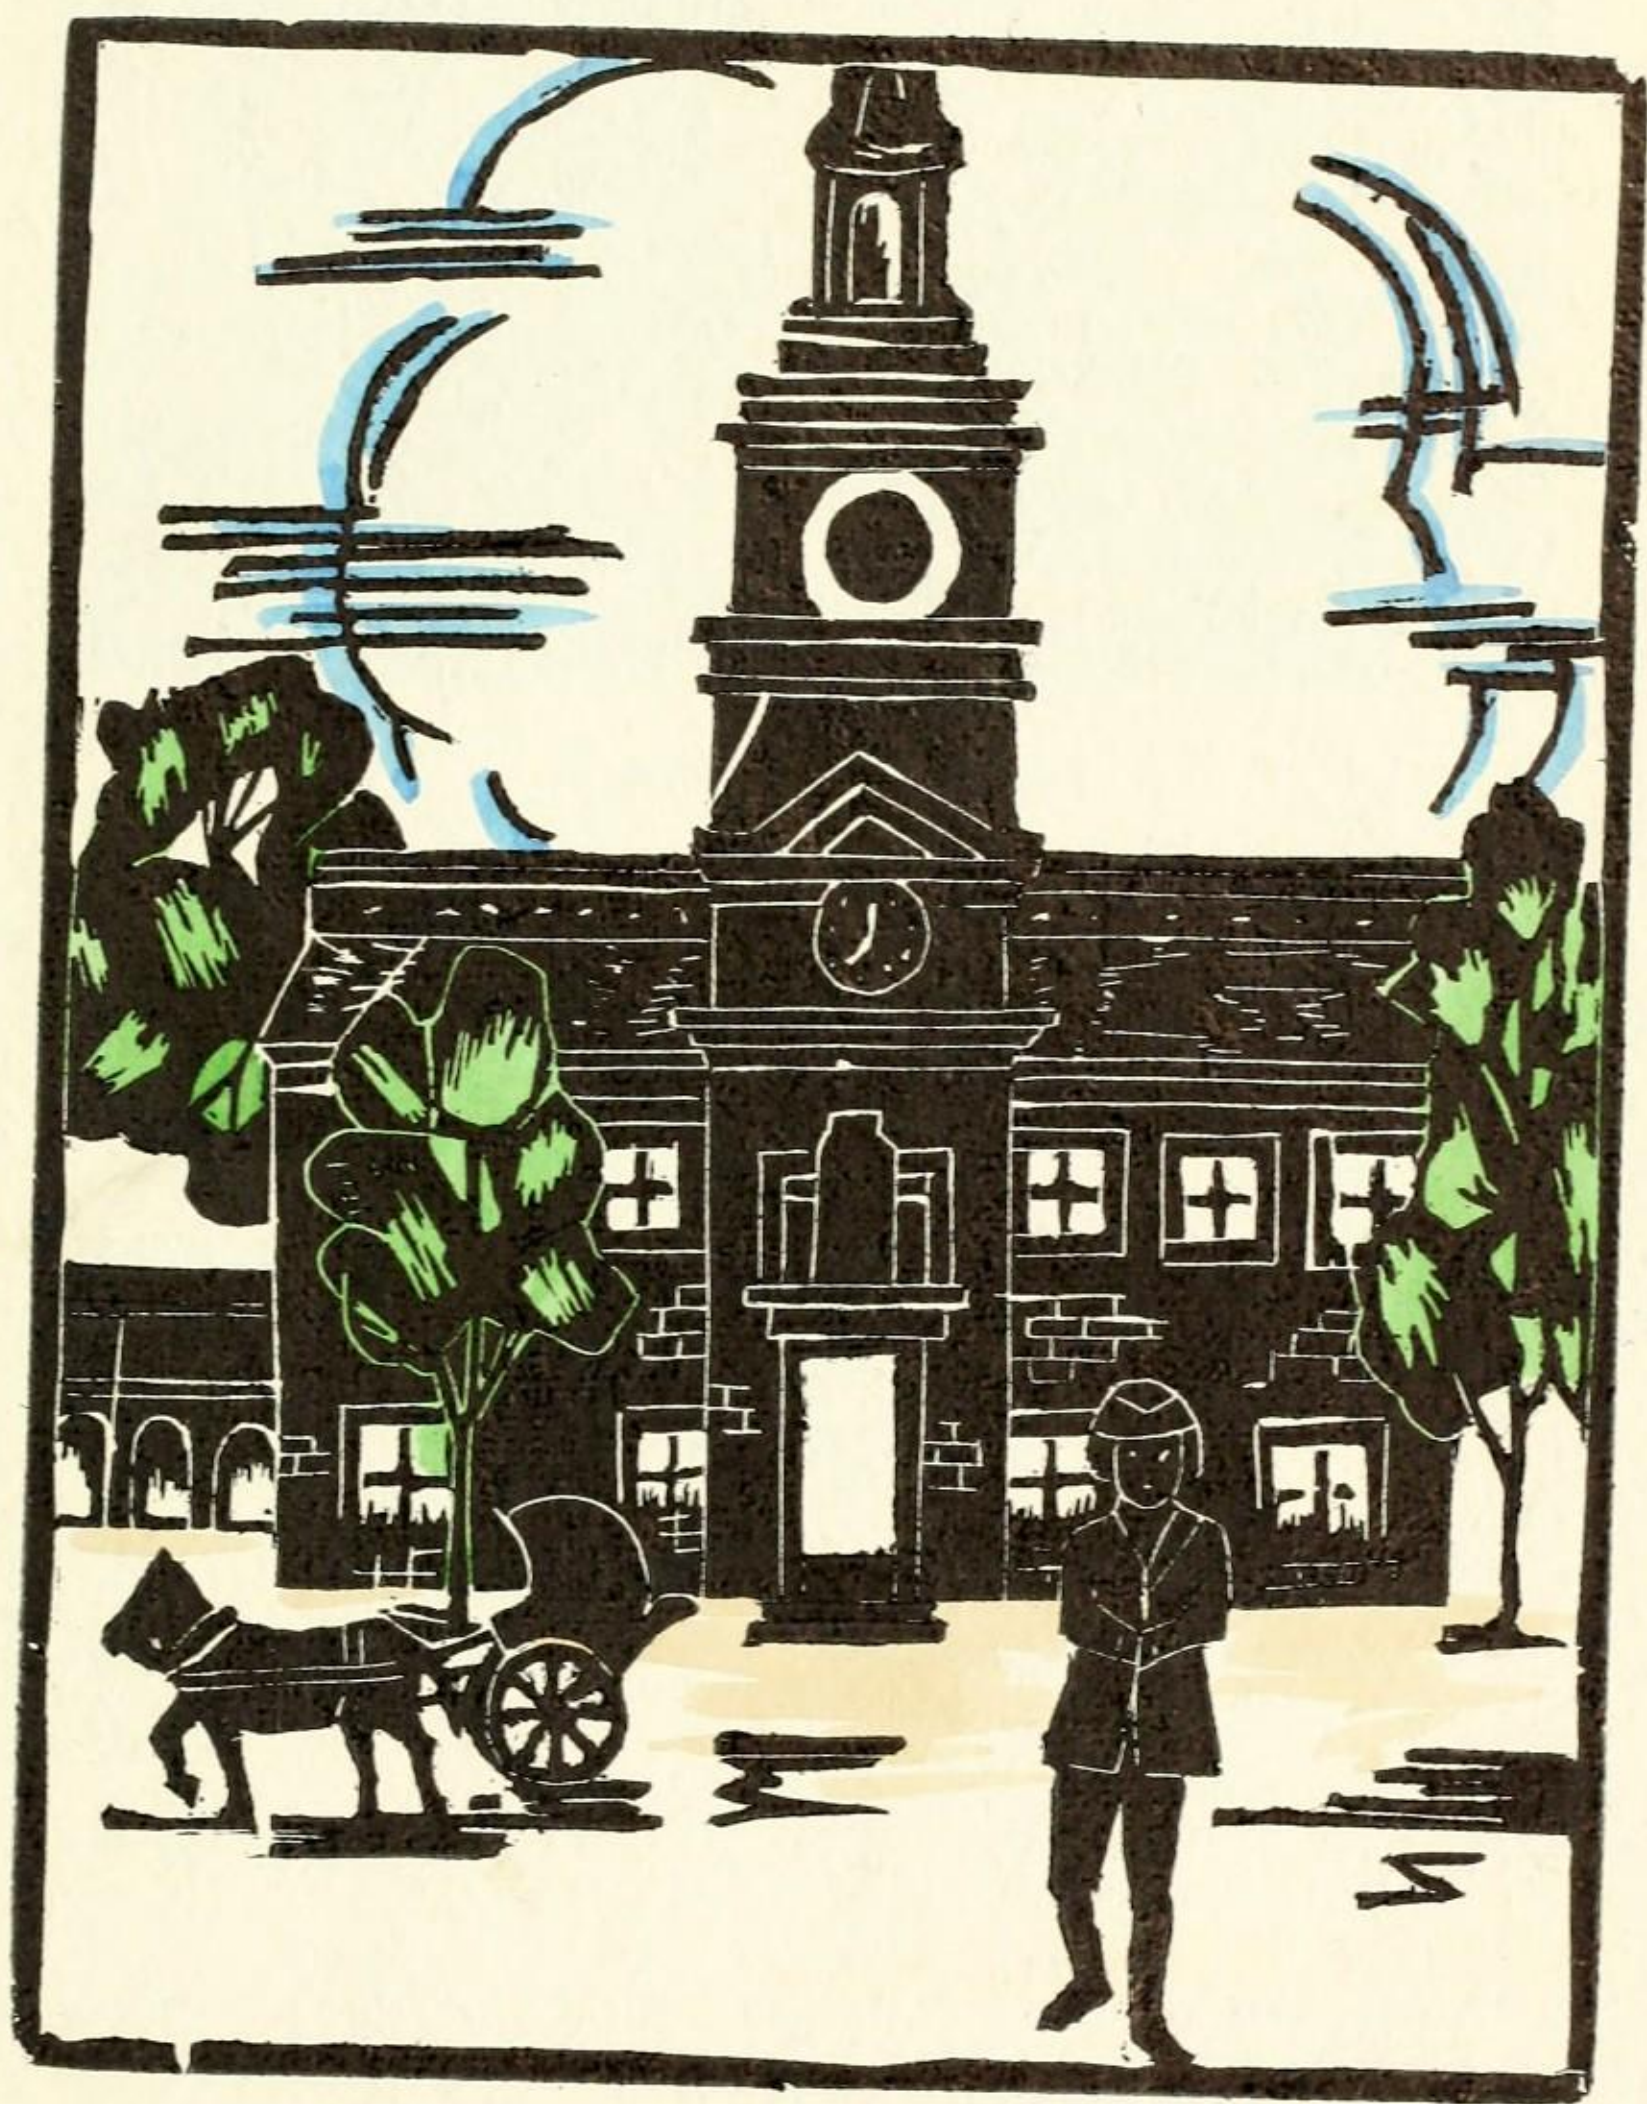

We, the members of the staff, do dedicate this number of *El Chasqui* to our two championship athletic teams and their coaches: the Varsity football team and Coach Brooks, and the Varsity basketball team and Coach Dickey. Both teams played their league games without a defeat; the basketball team went successfully through the play-offs to the finals with Whittier.

Independence Hall-

We hold these truths to be self evident: that all men are created equal; that they are endowed by their Creator with certain inalienable rights; that among these are life, liberty, and the pursuit of happiness. . . to secure these rights, governments are instituted among men.

Superintendent's Message . .

The year 1937-38 has been a great year for Chino High . . . The winning of the football championship; the trip to Santa Barbara; and another basketball championship leading to the struggle for a Southern California championship again, will long be remembered.

By far the most important event however is the excellent Scholarship record made by Chino High . . . Among 96 California schools, in the medium size division, Chino High ranked in upper 5%! Work hard to make the best grades possible . . . Scholarship is very important.

Develop your personality . . . Personality is more than merely "it." It includes sincerity, persistence, poise, a good sense of humor - - and the ability to make friends . . . Remember, "What gets your attention gets you" . . . Good health is extremely important . . . Keep a record of the things that develop good health for you and steadily improve your health.

You can improve your personality . . . The best means is to take a keen interest in helping others to be successful and happy . . . Recent discoveries have shown that personalities can be improved 70 per cent by persistently working at it.

There are no short cuts to success . . . Keep plugging away steadily, and it will come to you . . . The universities have discovered that the most important essentials to success are stick-to-it-iveness, hard work, and character.

Smile, and "keep-a-going !!!"

Cordially yours,
Leonard F. Collins,

Student Council

The Student Council is an organization which represents the Associated Student of Chino High School. It consists of the Student Body officers, the president of each class, the Boys' Club president, three appointed faculty members, and the principal. The Student Body officers hold corresponding offices in this organization. Each member of the council did his best at all the meetings to represent his class or organization. Meetings are held regularly every two weeks.

The purpose of the Student Council is to promote in all ways the best interests of the school, to unify all student organizations to promote the best relationships between the students and the faculty, and to develop good sportsmanship and an appreciation of Chino High School. Under the able leadership of Dennis Wood, the president, our school has developed a wholesome school spirit.

This organization was started a number of years ago by the faculty. They decided that since school is primarily to train students to meet life and successfully to govern our country, a chance at self-government would not be amiss. Since then it has become an established part of our school system.

Seated: R. Purington, E. Cliburn, R. Johnson.

Second Row: P. Preston, L. Meairs, D. Dunlap, E. Jertberg, J. Jertberg, L. Fletcher, Q. Moore.

CLASSES--

Senior Class Officers

In May 1932 the sixth graders gave that well remembered operetta "Windmills of Holland," an outstanding event at that time. Those sixth graders are now seniors. The class has always been a peppy one and has had their share of pleasure during their high school days. Its members have been outstanding in athletics as well as music, art, and drama.

In their junior year they decided to be different and chose blue sweaters instead of the traditional rings. They gave the play "Penrod" and the Carnival, which was given with the help of the P. T. A. All these activities went toward the earning of money for the excellent Junior-Senior Banquet at the end of the year.

This year the seniors have still maintained their class spirit. To start the year off with a bang they gave the Senior-Junior Dance. The next biggest event was Ditch Day. This was held at Big Pines as usual and everyone enjoyed himself to the limit. There have been a number of class parties besides Ditch Day and Senior Breakfast. Class Night was another success and will not soon be forgotten by those who saw it.

The advisers, Mrs. Toste, Mrs. Weller, Mr. Seidel, and the classmothers, deserve a great deal of credit for their work in making this last year a more enjoyable one for the seniors.

Seated: M. Reynolds, R. Purington, J. Bogue, Mrs. Weller.

Standing: H. Martin, Mr. Seidel, Mr. Wallace, H. Galbreath.

Class Officers of 1939

In September 1933 about one hundred and seventy frightened seventh graders entered Chino junior high school. At first it was hard to get used to going from class to class, and they were terrified by the threats of incomplete slips and demerits. However, to their surprise they gradually became accustomed to this new life and found it very exciting.

Since that time many of the original number have left and some new students have entered. Today, there are approximately eighty-five peppy boys and girls in the junior class. This class has been well represented in all school activities. Many have excelled in sports; others have been outstanding for attainments in scholarship and for leadership in student affairs.

This year has proved to be an especially eventful one for the juniors. One of the highlights in their high school career came with the arrival of their rings soon after Christmas vacation. Several class parties have added to the pleasure and fun enjoyed by the group this year. The climax to their activities came when, despite financial difficulties, they gave a most successful and enjoyable banquet to the seniors.

The junior class wishes to thank the class mothers and advisers for the splendid help and cooperation they have given them. They are also grateful to their fine set of officers.

As seniors they look forward to achieving even greater things than they have in their junior year.

El Chasqui Staff

Fifteen students under the direction of Mrs. Toste have cooperated to make this year's "El Chasqui" a success. They have worked hard in hope that it will measure up to the high standards set by previous publications.

Pierce Preston, editor for the second year, has had a large part in the supervision of the work, carrying on alone during the absence of Mrs. Toste. To him much credit is due. He has been a member of the staff for four years. The staff has also worked extra hard this year because of the late start.

Other members of the staff include Lena Hendricks, Rosemary Purington, Winnie Hodson, Betty Race, Silas Craig, Laddin Meairs, Mario Scarrone, Virginia Van Pelt, Dick Dunlap, Willa Mae Swank, Patty Preston, Claire Wallace, Jack Langdell, and Quentin Moore.

Other faculty members in addition to Mrs. Toste, who have assisted with the annual, are Mrs. Osborne, who has been in charge of the art work, and Mr. Dunn, who supervised the printing. The print shop should receive special commendation for their achievement since El Chasqui is one of the few school annuals which is not printed by professionals.

Top row: M. Scarrone, Q. Moore, S. Craig, P. Preston.

Second row: C. Mitchell, V. Van Pelt, W. Swank, Mrs. Toste, W. Hodson, D. Dunlap.

Seated row: V. Gunn, C. Wallace, P. Preston, B. Race, R. Purington, L. Hendriks.

C. S. F.

The California Scholarship Society is an organization formed to create a more vital interest in fine scholarship and citizenship among the students. The motto of this society is "Scholarship for Service." There was such an interest shown this year that a high record for membership was obtained.

In addition to the regular meetings and the privileges allowed to the group, there is each year an interesting trip taken; the members are allowed one school day for this. The big event this year was the trip to Death Valley on April 22, for which the school board offered a bus for transportation. The many points of interest visited by many of the group were Dante's View, the old borax works, the Devil's Golf Course, the Salt Pools and Stovepipe Wells. The most educational place visited was the government nursery where the different plants were named and described to us by one of the best known naturalists in the United States. The trip was very enjoyable in addition to its educational value.

The Scholarship Society is under the capable guidance of Mrs. McCrossen and Mr. Dickey. The officers are: president, Rosemary Purington; vice-president, Howard Warne, and secretary and treasurer, Patty Preston.

Top row: A. Andazola, C. Mitchell, H. Warne, D. Dunlap, J. Decker, J. Torres, L. Fletcher, A. Carter, Q. Moore, H. Campbell, H. Warne.

Lariat Staff

A good school paper is one of the many important features of a wellrounded school life. Those who plan to follow a Journalistic career find the experience gained by being on the school paper very helpful. The Lariat is our school paper and is published every Thursday. The staff exchanges papers with about thirty other school each week. This often furnishes new and different ideas. This year the Lariat has been a very fine paper due to the co-operation and excellent work that the staff has done. The paper has been clean, accurate, and full of newsy, interesting articles.

This year the staff included: John Hoffman as editor and boys' sports reporting; Jean Bogue, assistant editor and features; Viola Stevens, girls' sports; Emma Holmes and Paul Farel, organizations; Jack Solomon, and Laddin Meairs, features; Pierce Preston, make-up editor; and Wayne Boutell, the Intertype.

Mrs. Reed supervised the writing of articles while Mr. Dunn took care of the printing and publishing.

The students who have helped in the printing and publishing deserve a great deal of credit for their good work in the print shop.

Seated: E. Holmes, J. Bogue, G. Cummins.

Second Row: J. Soloman, Mrs. Reed, Mr. Dunn, V. Stevens.

Third Row: L. Meairs, P. Farel, W. Bowtell, J. Hoffman, P. Preston.

Hi-Y Club

The Chino Hi-Y Club is a branch of an international organization and is an affiliation of the Y. M. C. A.

The Hi-Y stands for "Clean Speech, Clean Sports, Clean Scholarship, and Clean Living." Its purpose is "to create, maintain, and extend throughout the school and community, high standards of Christian character."

The motto of the Hi-Y is "Others," and it is therefore a service club rather than merely a social club. One service that the club rendered to the school this year was in taking charge of the gates at the football games.

This organization is the only boys' club in school which has as its main aim the development of the spiritual side of the individual.

Meetings are held regularly every Monday night at the homes of members and advisers to analyze and discuss their common problems. At the regular meetings they also have talks by outstanding persons.

In addition to the serious meetings the members also enjoy hikes, swims, joint meetings with the Hi-Tri and other social functions.

The officers are Howard Martin, president; Walter Zentler, vice-president; and Laddin Meairs, Secretary-treasurer. The adult advisers are Mr. Seidel, Mr. Hauser, and Mr. Dickey.

Top row: P. Farel, L. Meairs, B. Maurer.

Second row: Mr. Seidel, W. Zentler, J. Strona, L. Helsley, Mr. Hauser.

Seated: H. Martin, H. Warne, J. Soloman, M. Ayala.

Junior Hi-Y

The goal of all eighth and ninth grade boys is to be invited to join the Junior Hi-Y.

The pledge they take upon initiation is: "To endeavor always to improve myself and to help others to improve themselves. To be courteous. To be the best citizen that I can be at school and in the community. To do what I think is right at all times. To use clean speech. To keep myself free from habit forming practices. To exert all of my influence and effort toward the promotion of things which are good and fine and to work equally as hard against those things which I do not believe are good. To be a good sportsman in athletics and to encourage my teammates to be good sports. To keep my scholarship as high as my ability will allow me. To be always honest in my scholarship and to encourage my companions to be likewise honest."

Part of the initiation is not as serious as the pledge, and incoming members have difficulty getting molasses out of their hair and dye off their hide.

Mr. Carter is their much admired adviser. Jack Welch is president; Clyde Mitchell, vice-president; and Gilbert Hernandez, secretary.

Seated: R. Langdell, L. Pellisier, G. Ayres, A. Wagner.

Second Row: J. Welch, C Mitchell, J. Jertberg.

Third Row: R. Hoffman, G. Hernández, Mr. Carter, H. Morales, J. Whittington.

Hi-Tri

The Hi-Tri is an organization of the girls from the three upper classes; sophomore, junior, and senior. Its purpose is to create finer personalities and good fellowship among the girls.

Meetings are held every first and third Monday evenings at the school or in the home of one of the members. These meetings are general discussions upon subjects or questions the girls have chosen. Besides just the regular meetings many dinners, picnics, and parties have been enjoyed this year.

At the first of the year six new members were voted in by the old members and initiated at both formal and informal initiations. At the semester six more members were chosen. This is the first year members have been chosen at the semester, but it proved to be very successful. The uniforms of the club this year were blue dresses trimmed with white.

The club has been served this year by an efficient cabinet; Jean Bogue, president; Virginia Fletcher, vice-president; Alma Jean Seward, secretary; and Vivian Gunn treasurer. Miss Steinmeir is faculty sponsor.

Top row: J. Bogue, E. Zans, Miss Steinmeier, L. Hendriks, J. Hendriks, R. Johnson.

Fifth row: E. Cliburn, V. Gunn.

Sixth row: I. Cliburn.

G. A. A.

Chino girls have always been recognized for their friendliness, good clean sportsmanship, and skillful athletic ability. To all this, credit can be given to the Girls Athletic Association. Any girl in high school automatically becomes a member of that association when she becomes a member of the class team. Inter-class competition is enjoyed in basketball, hockey, speedball, baseball tennis, and volleyball, as well the play days which are held at the different schools of the Tri-County League at the close of each sport, with the exception of Tennis for which an interscholastic schedule is followed.

Awards are made at the banquet at the end of the year at which time letters, sweaters and all-star awards are presented. A girl is awarded 100 points as a member of a class team, 25 points if she is elected to an all-star team or a captain of a class team. For 350 points she is awarded a letter "C"; she is entitled to a sweater for 1000 points; and for an additional 150 points after the sweater, a letter with a gold star is awarded.

The G. G. A. is an active group in the participation of school activities. It sponsors a school dance as well as clever assembly skits.

Seated: P. Cocke, E. Cliburn, V. English.

Second Row: C. Wallace, B. Andrews.

Third Row: V. Fletcher, R. Purington, Miss Strange, B. Race, V. Stevens.

O. G. A.

One of the outstanding organizations of Chino High School is the Order of Gregg Artists--O. G. A. In the past six years during which they have belonged to the organization the members have repeatedly won honors. The club is composed of the members of Shorthand I and Shorthand II classes. The adviser of this group is Mrs. Horner.

The O. G. A. nationwide contest, is sponsored each year by the Gregg Publishing Company. The purpose of this club is to encourage and recognize good shorthand penmanship. This year Alma Jean Seward, Alicia Marquez, and Ruth Johnson received gold pins representing superior shorthand. All other members of the class--Grace Embly, Betty Race, Emma Holmes, Margaret Rapattoni, Gladys Blades, Lillian Pine, Jewell McBath, Phyllis Cocks, and Consuelo Padilla--received certificates in recognition of superior shorthand penmanship.

Each year the classes have placed high in the district contest. Several times during the last few years students of Chino have won honors in the Southern California high school contests. Last year they received first and third places in the district contest.

Those representing Chino in the contest this year include Shorthand II, Alma Jean Seward, Ruth Johnson, Lillian Pine, Shorthand I, Betty Race, Emma Holmes, Grace Embly, and Margaret Rapattoni.

Boys' Club Officers

The Boys' Club, which is composed of all boys from the four upper classes, is one of the most active clubs in the school. Its purpose is to promote good scholarship, citizenship, and sportsmanship.

Meetings are held once a month, and, although attendance is not compulsory, they are attended very regularly. Programs consisted of speeches by out of town men, and faculty members and movies of football games, and other athletic contests. Probably the most enjoyable, and best remembered event, however, was the annual "Bean Feed." This club did a great deal to stir up interest and active student participation in athletics. Richard Wright made a capable president; Ray John filled the duties of vice president well; Pierce Preston proved an efficient secretary; Jack Solomon served his second year as treasurer; and Gene Cummins was sergeant-at-arms. Mr Dickey is the club's faculty adviser.

Standing: J. Solomon, R. Wright, R. John, Mr. Dickey.

Seated: P. Preston, G. Cummins.

F. F. A.

The Chino Future Farmers' motto is, "learning while earning". This motto is put into practice by a majority of the chapter members.

Twenty eight members comprise the club, with 20 Greenhands and 6 Future Farmers. The officers of the club include Roy Thomas as President, Paul Bernard as Vice-President, Frances Wilson as Secretary, Dean Wilson as Treasurer, Levin Smith as Reporter, Rudolph Burger as Watch Dog, and Mr. Marble and Mr. Brown as Advisers.

The Chapter adopted a program of work embracing the following points: 1-Good program of supervised projects, 2-Practice in co-operative activities, 3-To be of service to the community, 4-To develop leadership, 5-To promote thrift, 6-To promote higher scholarship, 7-To conduct recreational and educational activities, and 8-To give publicity to the chapter. These points are being stressed by the members.

A successful year in livestock shows has been enjoyed. One hundred and seventy-five dollars were won at the San Diego Country Fair. Two hundred dollars were won at the Los Angeles Country Fair, including a large trophy cup for the best display of swine in the F.F.A. division. An Agriculture Mechanics Display won a second place, giving the chapter twenty five dollars.

Plans for better projects and a more successful club are being worked out insuring the Chino Future Farmers continued success.

Homemakers' Club

Last year a new club was started in the Homemaking Department of the high school. This year, through the desire of the girls, the club has been successfully continued. The members of the club are the girls in the 11A Homemaking class.

There are several purposes the members try to achieve. These are: to keep the girls of today informed as to the new trends and developments in homemaking; to help create a home atmosphere in the Homemaking Department and the school by extending hospitality; to motivate and enrich classwork; to serve the school where there is the greatest need.

The experience gained from being a member of this club is often very helpful in many ways, not only at school but also at home.

This year the club has had a very efficient cabinet: Violo Stevens, president; Lena Hendriks, vice-president; Carmen Housman, secretary; and Virginia Fletcher, treasurer.

Miss Johnson and Miss Steinmeier deserve a great deal of credit for their work as advisers.

Top row: E. LaForge, V. Gunn, I. Cliburn, N. Briones, S. Ayala, M. Garcia A. Sanchos.

Orchestra

Music is one of the important factors in school life. It leads to a wider culture and a more fully developed personality. Everyone in school should be vitally interested in the music course. The orchestra is an important part in the music department. About thirty students who were interested in music this year belonged to the orchestra.

Mr. Bruington was director again this year. He deserves a great deal of credit for his efforts and enthusiastic directing which led to an enviable record for the orchestra.

Every member was required to practice at least one hour a day at home as well the regular orchestra period at school. When the orchestra was going to play for a program, there were usually several extra rehearsals or practices before and after school.

This year the orchestra has made a good many public appearances. Most of these were accompanying some program at school such as the Christmas Cantata and Operetta. The orchestra's first outside appearance was at the Chamber of Commerce banquet in October. Programs for assemblies were also furnished by the orchestra, and these were thoroughly enjoyed by the students.

Band

Chino has the best organized Band in the Tri-County, and certainly made a fine showing this year. They were especially good at the football games when they formed the "C. H. S." on the field between halves. With their royal blue capes and caps, their drum major and with the direction of Mr. Bruington it is no wonder that Chino's rooting section was so proud to have it play at all of the games as well as in assemblies and other social activities.

The band has grown from a small organization to one with forty members. We hope to have fifty members next year.

Chino has often been complimented for their school spirit at the games, and to the band we can give much of the credit for that pep.

Chorus

"Of all joys inviting, not one is more delighting than that which lies in singing."—Luther.

There are four chorus groups in Chino High school: Boys' Chorus, Mixed Chorus, Girls' Chorus, and Junior Chorus. Boys' Chorus and Girls' Chorus meet twice a week, and Mixed Chorus meets once a week. They are all under the capable direction of Mr. Morgan..

The combined chorus put on the annual Christmas Cantata, "The Christ Child," by C. B. Hawley, with the help of guest artists and the Community Chorus and the Orchestra. The Chorus also gave several programs in assemblies, and it formed the nucleus for the operetta, "The Buccaneers."

This year members of the Chorus attended the annual Tri-County League Music festival at Claremont. This is not a contest but a meeting of all singing groups in the Tri-County League to join in singing songs together. The plan was originated last year, but this was Chino's first attendance. Rules governing who may attend are much like the Tri-County League rulings for eligibility of athletes. The musical members of the various schools not only sing together, but also dine and dance; so it is quite an enjoyable festival.

Seated: E. Sepulveda, W. Hodson, R. Blackwood, V. Fletcher, E. Cliburn, R. Cortez, R. Campos.

Second Row: L. Warner, R. John, B. Barnum, R. Wright, D. Irwin, M. Ayala, D. Fox, D. Garcia, T. Chavez.

Operetta

This year's operetta, "The Buccaneers," was presented on March 25th under the able direction of George Morgan, assisted by Dean Bruington, who directed the orchestra, and Dorothy Williams, the dances. The splendid solo and chorus work, the gay costumes and bright scenery, combined to make "The Buccaneers" one of the best operettas of recent years.

In the heroine's part of Constance was Winifred Hodson, and in the hero's part of John Smith was Millard Frady. The action takes place aboard the yacht "Caprice," and is centered about John Smith, a man of mystery, who turns out to be the son of Commander Cabot (Don Irwin) of the Battleship Oregon which steamed up and saved the "Caprice" from pirates, which were led by Sneek and Snoop (Benny Maurer and Dagaverto Garcia).

This two-act musical was replete with comedy revolving around the disgruntled captain (David Fox), the bombastic senator (Charles Daniels) and his meek wife (Mary Jane Reynolds), and old maid sister, Abigail (Virginia Fletcher). The parts of Clara and Sara were taken by Betty Jean Andrews and Ernestine Cliburn. Other members of the glee club sang in the chorus of sailors and girl friends of Constance. The dances were especially well done.

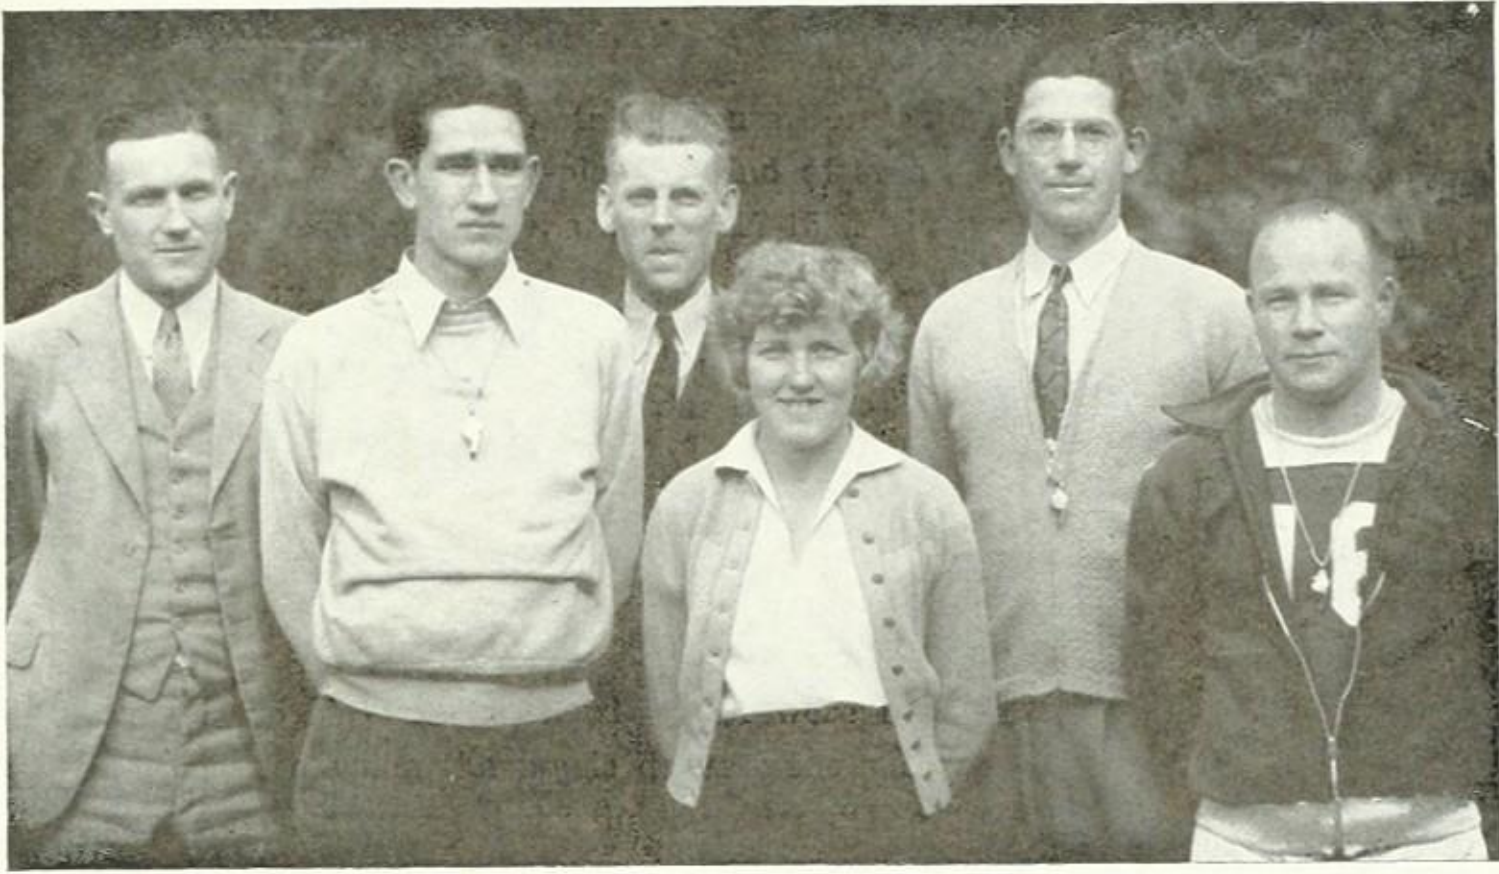

Creed-

In all I am, in all I do,
Unto one flag I would be true;
For God and country let me stand.
Unstained of soul and clean of hand,
Teach me to serve and guard and love
The Starry Flag which flies above.

TRI—COUNTRY LEAGUE CHAMPIONS! ! That's the Chino Varsity Football team, with an un-equalled record, being undefeated, untied, and unscored upon. This is the first Chino heavyweight football team that ever won a Tri-County League Championship. Chino won five consecutive games with the scores of Chino 12, Bonita 0; Chino 6, Corona 0; Chino 13, Puente 0; Chino 13, Citrus 0; Chino 12, Downey 0.

Four hundred made the trip to Santa Barbara to witness the first C.I.F. play-off game any Chino grid aggregation had ever played. Cowboys were outsized, outweighed, and outpassed, but not out-gamed, before a crowd of 6000 and a score of 27-0. It was a creditable showing and spread the fame of the "best little school in the west", and added about \$500 to the student body treasury.

At the first annual Kiwanis-Southern California prep school football banquet held at the Elk's Temple in Los Angeles, Captain Richard Wright left end, and Robert Hongola, left guard, were awarded certificates which stated they were members of the All-Southern California second team. In addition Wright and Hongola with Fred Abbott, left tackle, John Hoffman, center, and Maurice Ayala, full back; received the board's All-Tri-Country league award for first team honors. Jack Solomon and Reggie Marteniz were picked for second team..

The school gave a banquet at which Hongola was voted the most valuable man on the team, so he gets his name placed on the "All-American" Blanket.

The team was honored by the Rotary Club Luncheon, at which the speaker was Howard Jones of University of Southern California. They also acted as ushers at the Rose Bowl game.

A final tribute to the powerful cowboys and the excellent coaching of Coach Otis Brooks, and Coach Wayne Hauser.

Lightweight Football

You can't win forever. This was demonstrated rather clearly this year when the Chino high lightweight football team lost in league competition for the first time in six years.

The whole story of the season could be summed up in just four plays, which happened to be blocked punts. In each of the games that the Cowkids lost, a blocked punt was directly or indirectly attributable to their defeat.

They opened the season with a 6-0 win over Huntington Beachs' strong "B" weight team in a practice game. In the league opener they lost to Bonita 6-0, then lost again to Corona 7-0. The next game was a real thriller, with Puente scoring oftener and winning 19-12. Citrus, with a big, good team, finally beat the fighting Cowkids 18-6. The last game was a closely fought one with Downey. A last minute pass won the game for Chino 6-0.

Lettermen are: Captain Bob Allen, Ruben Ayala, Bill Barnum, Melvin Burkhart, Jack Decker, Alex Diaz, Joe Fujiwara, Leslie Grant, Gilbert Hernandez, Jack Langdell, Harland Smith, Louis Strona, Joe Torres, Ted Tsuboi, and Billy O'Hara, manager. Mr. Dickey was assisted by Mr. Frank Elder in coaching the team this year.

Third Row: Mr. Dickey, B. Allen, R. Ayala, L. Grant, M. Burkhart, A. Diaz, G. Hernandez, J. Fujiwara, J. Torres, J. Jertberg, Mrg. B. O'Hara.

Pee Wee Football

A few little technicalities between high school and junior high school teams kept Chino's little Pee Wees from getting into a regular league. On top of this, the only games which Coach Carter was able to arrange were all with bigger teams from Claremont, Emerson, and Fremont; therefore the fact that they won or tied just as many games as they lost makes a fair record for the season.

These little fellows are divided up by weight into a "D" team and an "E" team, but a shortage of players often found an "E" weight playing on the "D" team. Bob Langdell captained the heavier team while Howard Sommers lead the other.

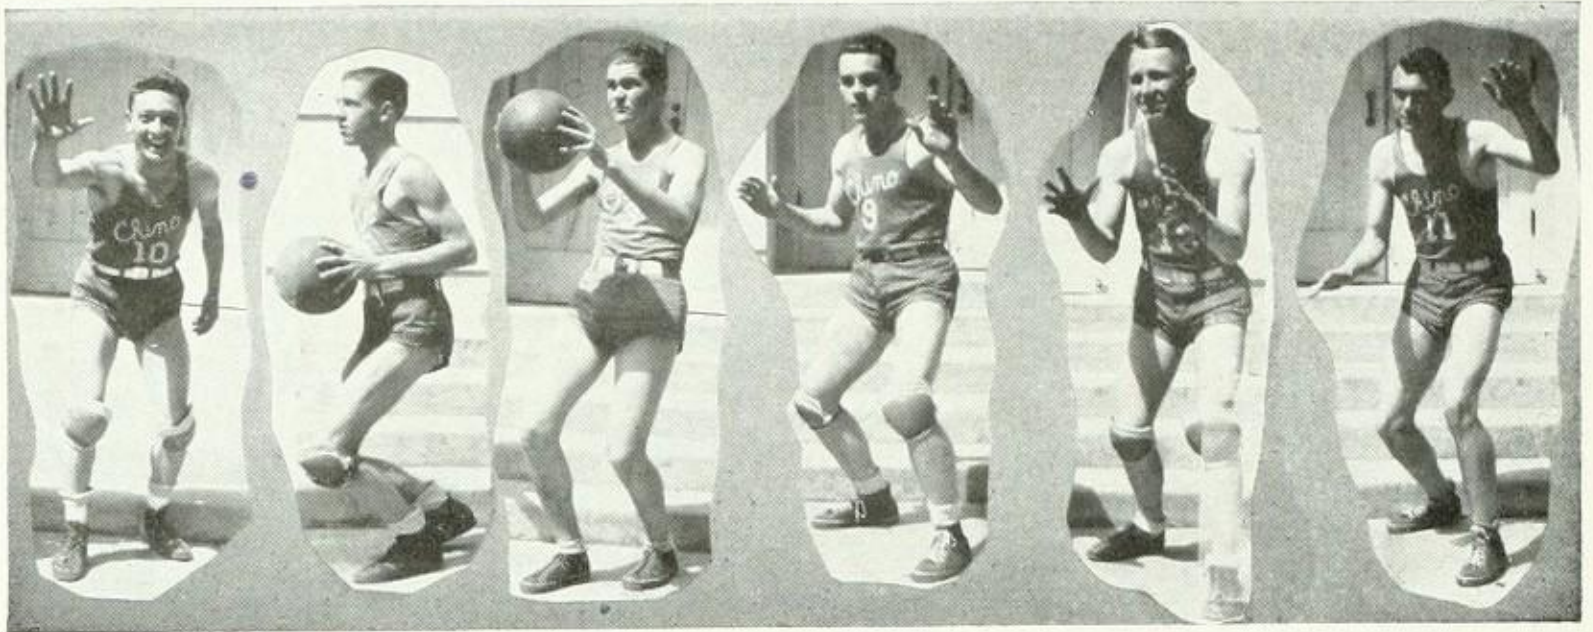

The opportunities for winning a pennant just weren't there this year, but we will probably see a championship varsity team from this same material before very long.

Champions of the Tri-County League and second highest team in Southern California is our Varsity Basketball record.

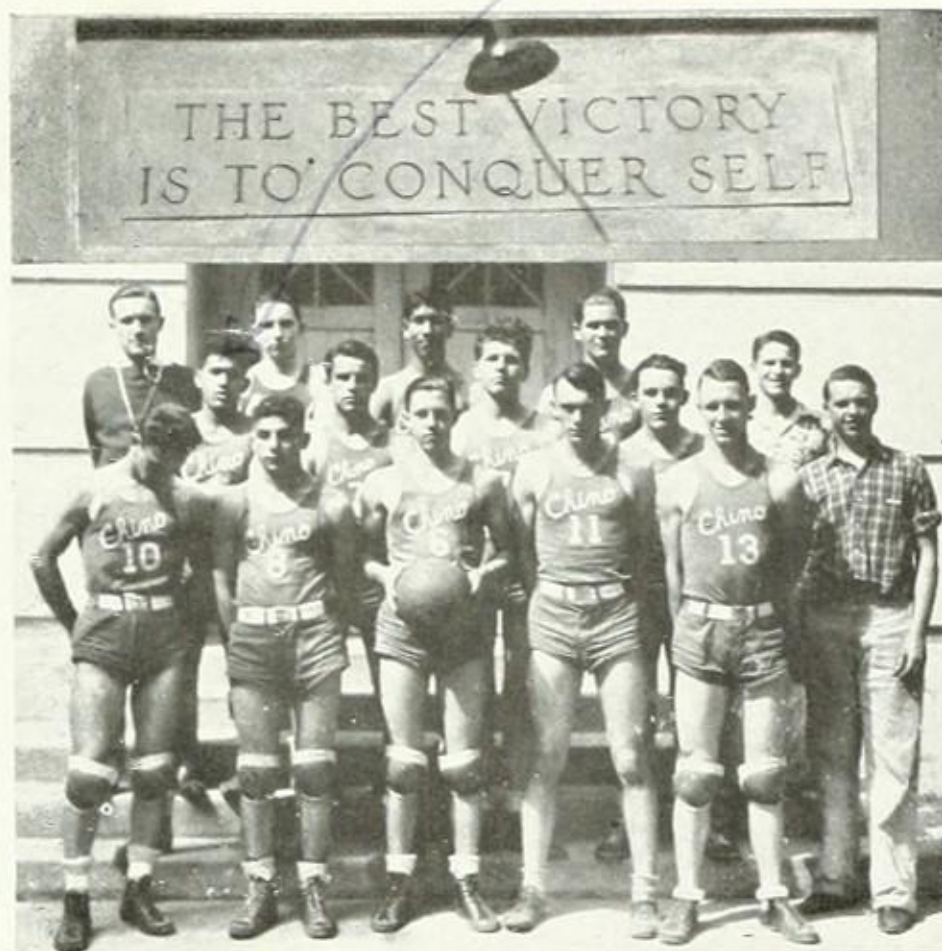

The league scores show better than many words the worth of the team. Puente 20 - - Chino 21, - - Claremont 12 - - Chino 37, - - Downey 15 - - Chino 19, Corona 20 - - Chino 34, Bonita 15 - - Chino 37, Colton 22 - - Chino 37.

After winning the league championship, our squad entered the Southern California play-off games and won all but the last one. Scores of the play-off games were Santa Monica 15 - - Chino 17, Banning 15 - - Chino 40, Fillmore 20 - - Chino 25, and Whittier 43 - - Chino 27.

Chino had the honor of supplying three of the five men picked for the All Tri-County League team. Those who received this honor were Maurice Ayala, Jack Solomon, and Richard Wright. Maurice Ayala was also selected on the All La Verne Tourney team, the All Huntington Beach Tourney team, and the All Southern California team. Jack Solomon, "The spark plug of the team," was chosen to have his name placed on the J. P. Evans "All American" blanket as the honor basketball player of 1938.

B--Weight Basketball

Our B-weight squad came out at the wrong end of the scoring, but Coach Brook's quintet always played clean, hard basketball until the last gun went off in every tussle. Puente's Warrior Babes completely dominated the Cowkids, winning with a top-sided score of 31-6.

The luckless "B's" lost the Claremont game 29 to 22. The Downey game was rough with Downey doing most of the roughing. Thirty one fouls were called. Downey got a 33 to 20 decision. In the Corona game one point stood between our lighties and victory. The score was Corona 19, Chino 18. The "B's" were still running under the weather and Bonita won 26 to 12, with the second string doing most of the scoring. The Colton brawl was nip and tuck. The final scores were Colton 33, Chino 31.

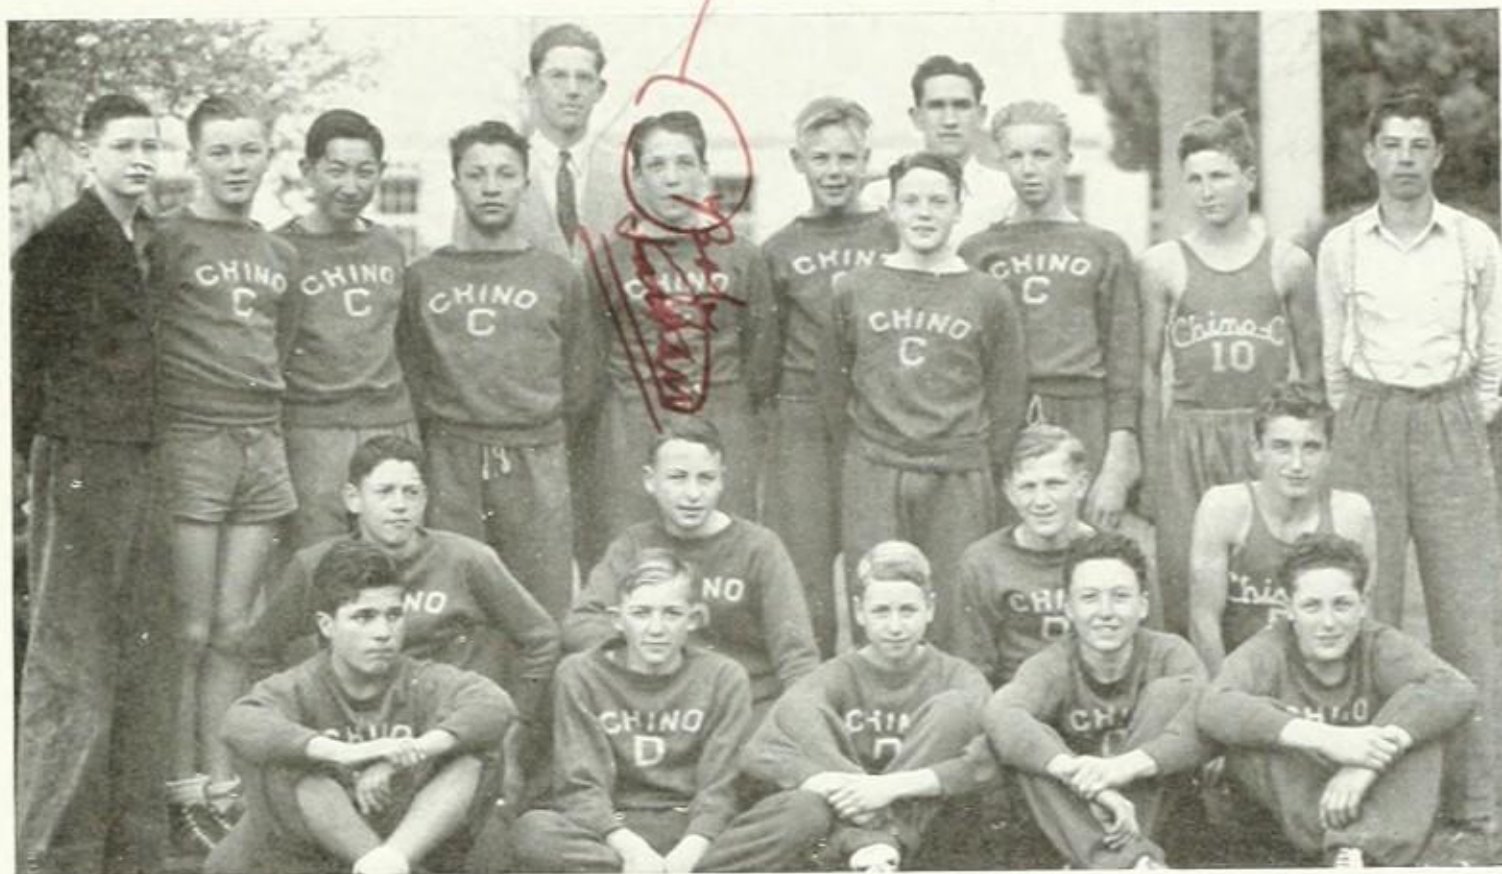

In the six league games Chino scored a total of 125 points. Captain Gene Cummins led the point makers with 28, Ruben Ayala 21, Burgess 18, Constantine 15, Dotta 15, Fujiwara 13, Whittington 5, Abbott 3, Wilson 3, Helsely 2, Meairs 1, and Irwin 1.

Coach Brook's lettermen were - Paul Abbott, Ruben Ayala, Willie Burgess, Bob Constantine, Morris Dotta, Joe Fujiwara, Leonard Helsely, Captain Gene Cummins, and Paul Farel, Manager.

"C" & "D" Basketball

One of the teams representing Chino's future varsity brought home a co-championship trophy this year; and while the other team didn't win a trophy, they displayed the undying spirit found in all Cowboy teams.

The "D" team met their only defeat at the hands of the Downey Quintette by a bitter two points, which tied them with Bonita for championship.

The "C" team although winning only two games; defeated two of the strongest teams in the Tri-County League.

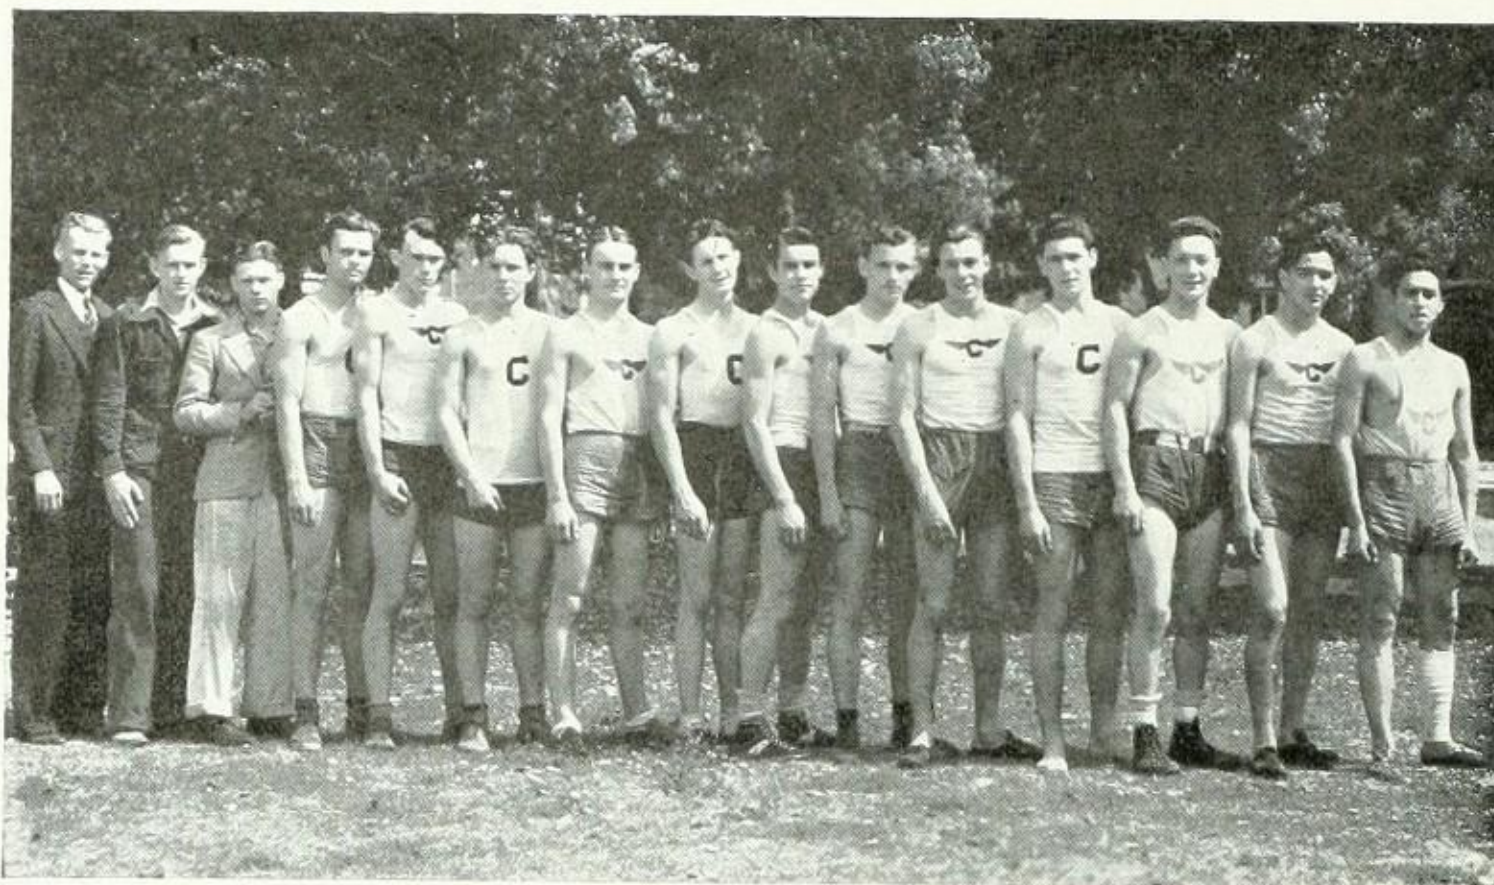

Special credit should go to Coach Marty Carter and Mgr. Clyde Mitchell of the "D" team and Coach Wayne Hauser and Mgr. George Hernandez of the "C" team.

"C" lettermen were Captain K. Johnson, B. Latham, L. Fletcher, T. Fujiwara, H. Nichols, M. Gonzales, and D. Abbey.

"D" lettermen were Captain H. Warne, J. Decker, B. Stevens, M. Miller, J. Welch, and B. Hoggins.

Top row: C. Mitchell, D. Strona, T. Fujiwara, M. Gonzales, Mr. Hauser, B. Latham, L. Fletcher, Mr. Carter, H. Nichols, V. Berryman, G. Hernandez.

Seated: L. Strona, J. Decker, G. Ayres, B. Stevens, B. Hoggins.

A Track

With the varsity basketball team advancing into the Southern California finals, track got off to a slow start this year. There were barely enough men to make a complete team, and the Cowboys lost their first meet to Puente 77-27, and also their second to Claremont 56-48. Then came Downey, and in the true Cowboy spirit, the trackmen defeated them 55-49. The final meet with Corona was lost 53-49.

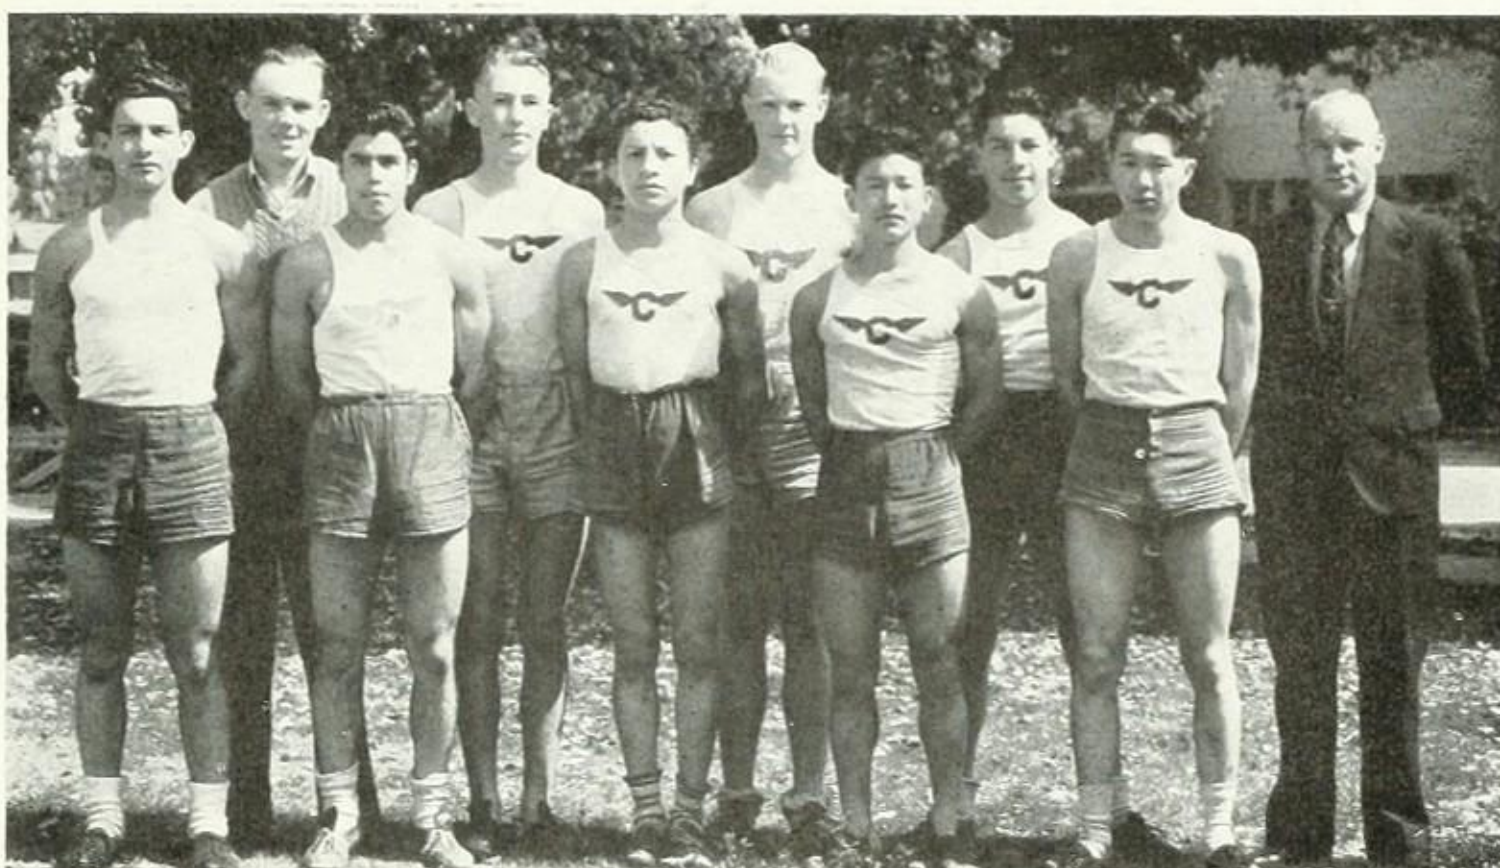

Although Chino did not come through with the track championship, this year, they had some very outstanding men including Bob Hongola who broke the school record by throwing the shot 44 feet 6 inches, Sidney Woolen who took third place in the pole vault at the Tri-County League meet, and Robert Constantine who is entered in the State meet to be held at the Los Angeles Coliseum, Saturday May 21.

The seniors won the annual interclass meet this year and took most of the ribbons given.

Special credit should go to Coach Mickey for his able coaching and Mgr. Laddin Meairs.

Lettermen were J. Hoffman, T. Partida, R. Hongola, R. Constantine, G. Cummins, S. Woolen, S. Craig, and Mgr. L. Meairs.

X Track

The Xweight track team coached by Otis Brooks may be proud of the fine season they have had. They won three dual meets, with Puente, Claremont, Downey.

They won their first meet by a good margin from Puente 29 2-3, Chino 65 1-3. Their next meet was won by an even larger score from Claremont 24 1-2, Chino 70 1-2. In their last meet before the Tri County League meet they lost to Downey 66, Chino 29.

The outstanding men in their respective events were Joe Fujiwara in the sprints, Joe Torres in the low hurdles, Ted Tsuboi pole vault, Geo. Hernandez 330, Bob Latham 1320, and Walter Zentler putting the shot.

On April 2nd the Tri County League meet was held at Downey. The "X" were defeated.

Varsity Baseball

Without a doubt this year has been outstanding in sports, and the year of 1938 will not soon be forgotten at the dear old Alma Mater. Besides the football and basketball teams winning championships, the baseball team followed suit and also won the Tri-County League championship.

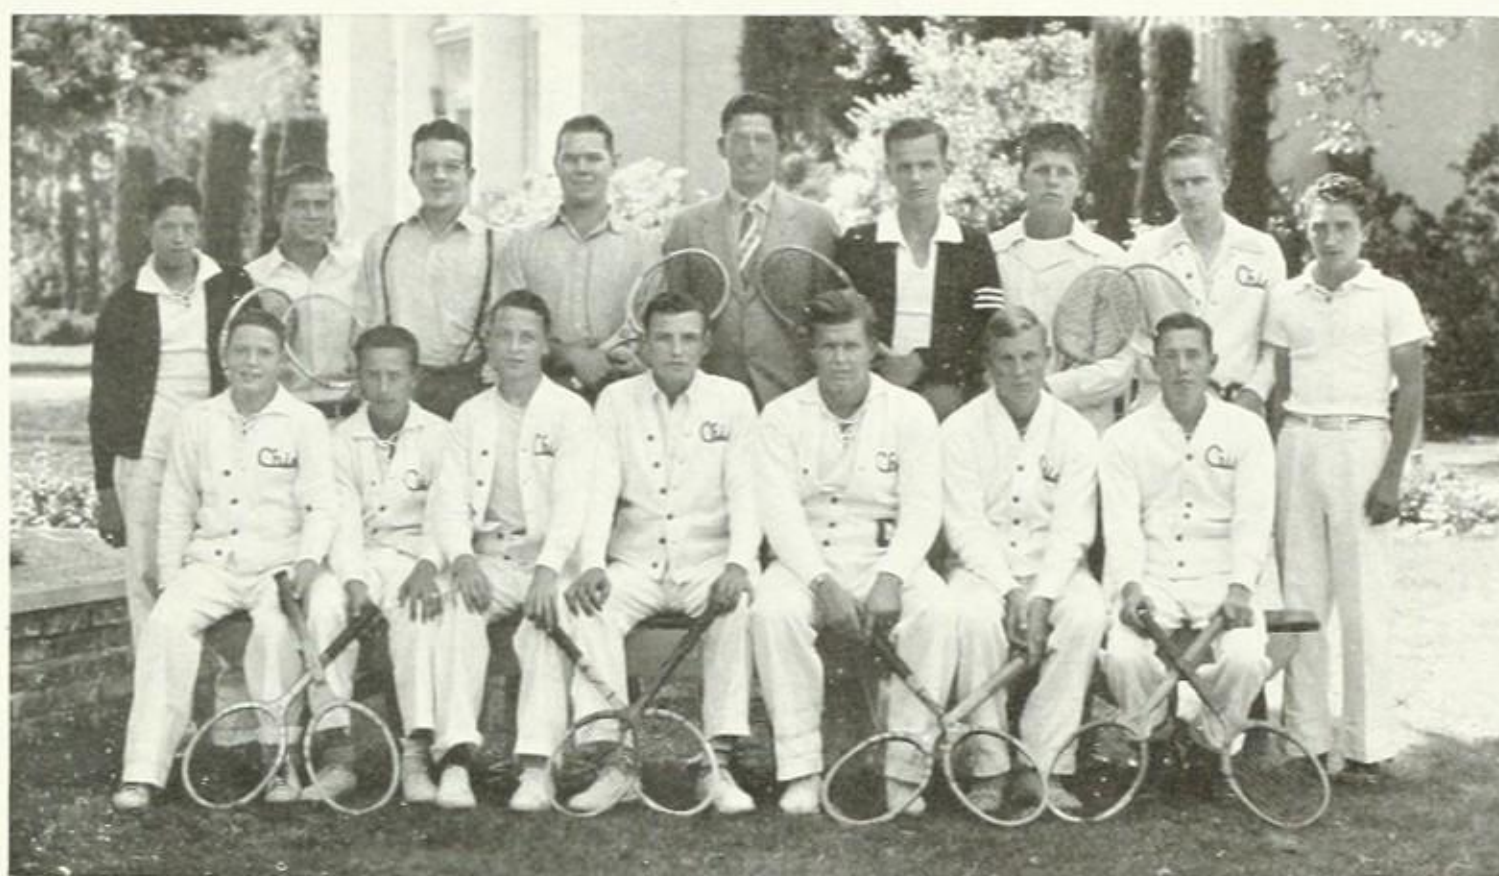

They successfully opened the season by defeating Puente 6 to 4; followed by an easy victory of 5 to 0 from Claremont. Citrus played here and was defeated 10 to 3, sa was Downey, whom we defeated by a score of 3 to 2. The conquering nine then defeated Bonita, Corona, and Colton.

High batters for the season were Sid Woolen and Fred Abbott, who batted 500 and 333 respectively. Sef. Diaz was outstanding on third and Manuel Gonzales was awarded the honor of improving the most during the season. He played at right field. Special credit should go to Coach Frankie Elder and Mgr. Harland Smith.

Letterman were: F. Abbott, M. Ayala, A. Andazola, R. Constantine, J. Solomon, S. Craig, M. Gonzales, D. Garcia, S. Woolen, M. Morales, and Mgr. H. Smith.

Seated: M. Gonzales; M. Morales; J. Soloman; M. Ayala; B. Constantine; D. Garcia.

Varsity Tennis

Although at this time the tennis season is not quite over, it looks as if Chino will take about third or fourth place in the league.

The team really looked great at the start of the season, winning from Puente, 23 to 2, from Claremont, 25 to 0, and then beating Citrus, 20 to 5. After that the competition stiffened, and the next three teams, Downey, Corona, and Bonita, carried off the wins. Good playing from now till the end of the season may yet put Chino high in the final standings.

As to the teams members: the usual line up was Galbreath, first singles, Abbey, second singles, Grier, third singles, and Welch, at fourth singles. Wells and Herb Warne, Soper and Grier, and Jertberg and Fletcher traded off at the doubles positions. Upsets on the tennis ladder changed their positions all through the season and nothing was certain.

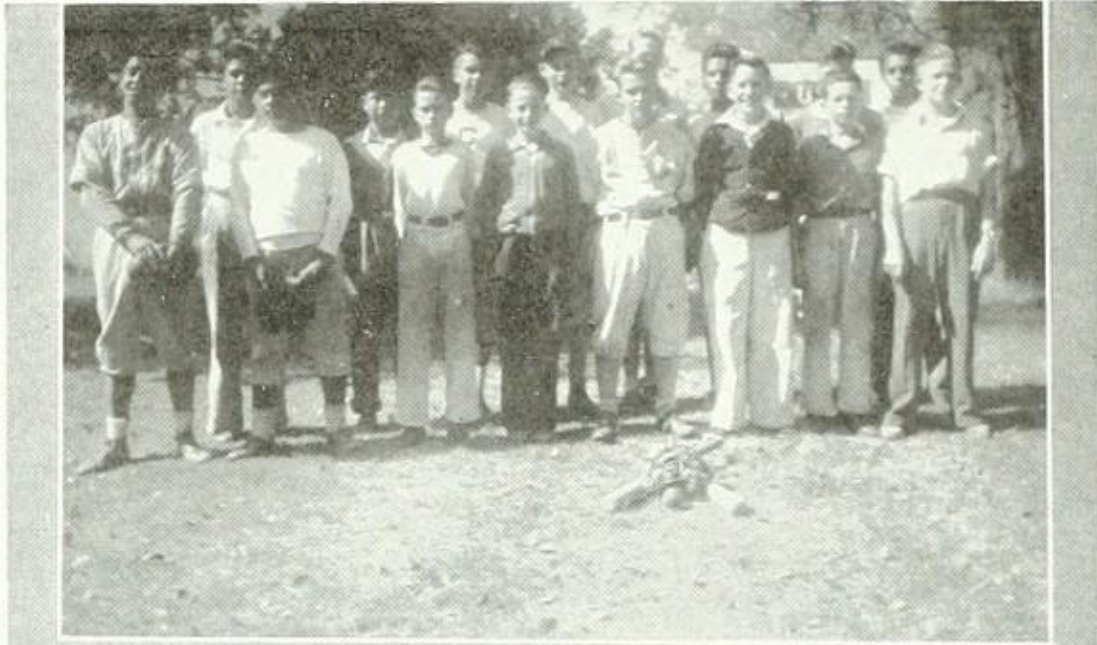

Mr. Hauser, the tennis coach, worked hard with the large bunch of fellows that came out for the sport this year, and the whole team showed improvement.

Standing: H. Warne; D. Fox; P. Farel; D. Gross; Coach Hauser; H. Galbreath.

Girls' Sports

Girls' Basketball

From the large turnout for after-school practise, six good basketball teams were formed. The seniors were successful in winning the inter-class championship, but the sophomores with an equally good team were a close second.

Play day was held November 13, at Colton. Besides the inter-scholastic competition in basketball, there was a posture parade. The seniors lost to Claremont, 11-22; the juniors to Colton, 8-50; the sophomores to Corona, 21-25; while the freshmen were victorious over Colton, 28-11. After lunch in the cafeteria, each school presented a short skit in the gymnasium. Social dancing was enjoyed by most of the girls.

With Winifred Hodson; senior captain; Arlene Berryman, junior captain; Claire Wallace, sophomore captain; Patty Hodson, freshman captain; and Violet English as basketball manager, the all-star team was chosen.

Left to right: Coach Strange, J. Bogue, E. Greer, V. Annan, W. Hodson, C. Wallace, R. Purington, M. Pickering, P. Hodson.

Volley Ball

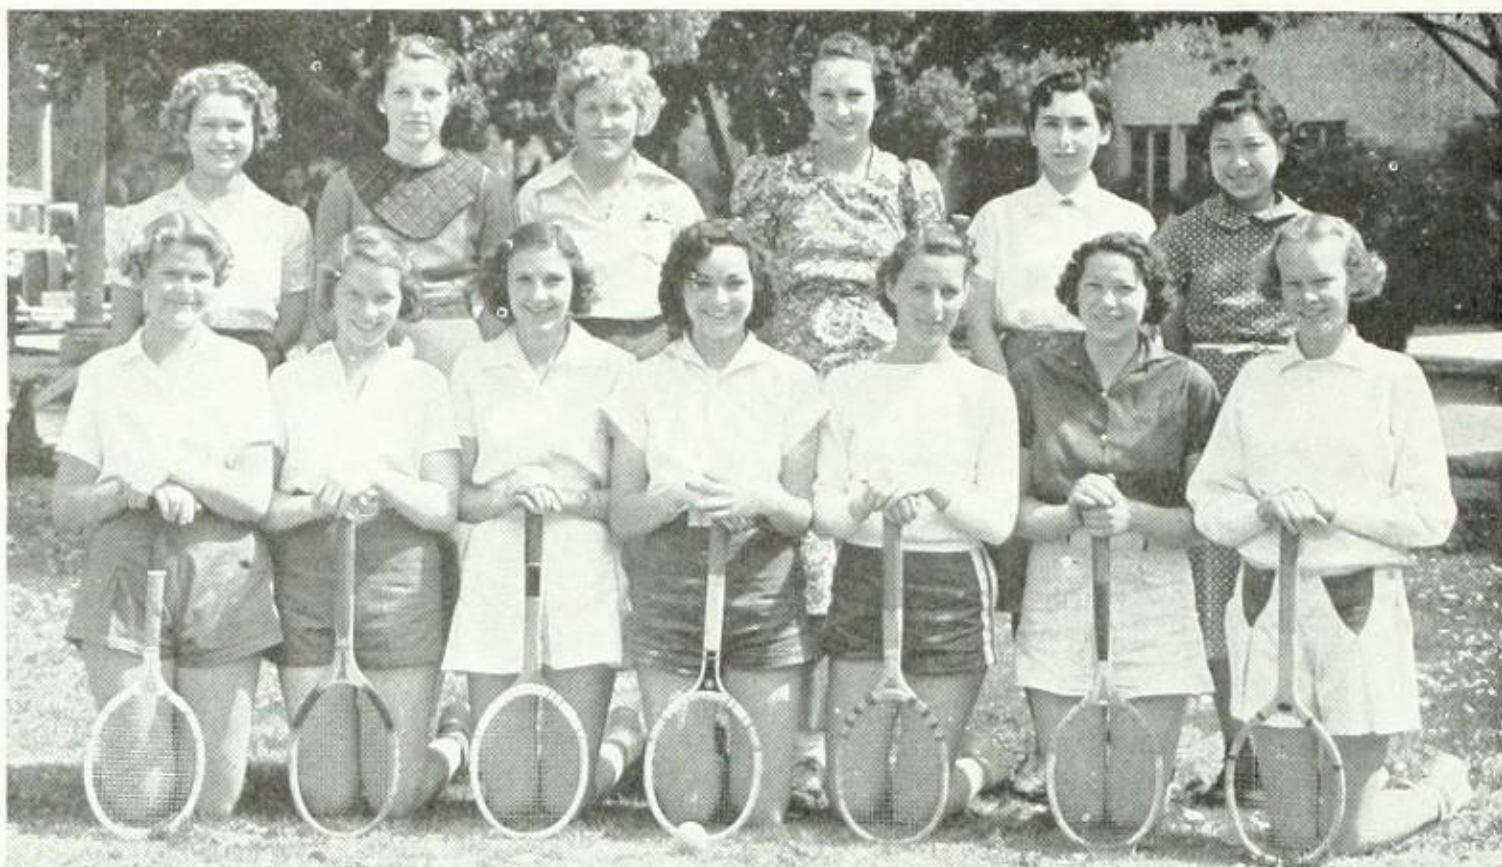

As yet a minor sport volleyball is steadily gaining in popularity. New rules this year proved to make it a faster and more exciting game. The inter-class competition was close, but the juniors proved themselves the better team. The winners will have their numerals "39" put on the plaque which is on display all year in the auditorium show case.

Volleyball was played as the minor sport on the Volleyball play day, which was held at Chino. Mixed teams were formed from the Claremont, Colton, Bonita, and Chino teams. The color play days are to create a friendlier feeling among the girls instead of school rivalry.

With Virginia Fletcher, the senior captain; Evelyn Zans, junior captain; Shirley Williams, sophomore captain; Velma Annan, freshman captain, and Phyllis Cocke, manager, the all-star team was chosen.

Standing: V. English, M. Hagan, R. Purington, Coach Strange, S. Wright, S. Williams, F. Cocke.

Seated: L. Myers, V. Annan, V. Fletcher, P. Hodson.

Girls' Tennis

This year girls' tennis has been somewhat different than usual. Instead of the regular league matches all matches have just been invitational. At first the girls were not so enthusiastic about this plan but liked it better than the league matches before the season was over. This is supposed to do away with the rivalry between the girls of different schools, to promote friendship, and to help the girls enjoy all of their matches whether lose or win.

The season this year was started with a match with Bonita. Following this, matches with Puente, Claremont, Colton, Corona, and Brea were held. Throughout the season a challenge system was used so the lineup was not always the same; but usually it was as follows:

First singles - - Betty Andrews

Second singles - - Virginia Fletcher or Rosemary Purington

Third singles - - Ellen Marie Anderson

Fourth singles - - Pat Hodson

First doubles - - Betty Race and Shirley Williams

Second doubles - - Claire Wallace and Pat Preston

Mary Hagan and Betty Moore were substitutes for second doubles.

Top row: P. Hodson, S. Williams, Miss Strange, B. Race, M. Etchart, C. Fugiwara.

Second row: B. Moore, P. Preston, C. Wallace, B. Andrews, M. Hagan, V. Fletcher, E. M. Anderson.

Speedball

With keen competition in inter-class games, the speedball season proved to be very exciting. A tie among the seniors, sophomores, and freshmen necessitated a play-off which resulted in the sophomores being victorious. Color playday, with volleyball and tennis as minor sports, was held February 8 at Chino. As mixed teams were formed from Claremont, Bonita, Colton, and Chino girls, it was difficult to tell whether or not Chino was victorious. Ribbons were awarded to the winners at the close of each game. The object of these color play days is to give the girls a chance to become acquainted and in this way promote friendship between schools. The senior captain, Janet Bozarth; junior captain, Violet English; sophomore captain, Betty Kerr; freshmen captain, Frances Pickering; and Claire Wallace as speedball manager chose the all-star team.

Left to right: G. Bozarth, J. Bozarth, B. Kerr, E. Greer, B. Andrews, L. Pine, S. Wright, L. Close, P. Preston, M. Hagan, Coach Strange, C. Wallace, J. Harford, M. Pickering.

VARIETY IN MENUS

In an interview with Gene Cummins, owner and host of the Valley Hotel, he said that many new foods are now available which are easily and inexpensively served. These pleasant additions to our menus are made possible because of the many improvements in the agriculture line.

For the first course of a dinner, just go out and pick one of the luscious soup vegetables. Cut, squeeze, heat and serve. The plant was propagated by grafting a carrot, a potato, a celery plant and an onion on a tomato vine.

With the fish course, serve a delicious new drink which was first discovered by budding a sugar beet on a lemon tree.

The main course may be easily prepared by cooking some succotash fresh from your garden. The origin of the succotash was the agriculturist's laboratory where Kentucky Wonder beans were crossed with sweet corn. You will find this dish goes very well with turkey which, fed on chestnuts, bread, celery, salt, pepper, and sage, obligingly stuffed itself.

Now for the desert serve pie-a-la-mode. Have your husband go out and milk the cow which has been fed on sugar and ice, to get the ice cream. On his way back have him pick a couple of apple pies from your apple tree which was grafted

NEW AVIATION

The class of '38 has done more for modern transportation than any other class this side of the Santa Ana River. JUST to prove that this statement is true take the example of Harold Grier. He was and still is a great leader in the line of modern transportation. Just last week he received a patent on a flying machine which is taking the country and the service station men for a ride. It is the simplest and most economic piece of machinery ever invented. The directions on how to use it are as follows: First of all you strap the wings around your arms, then you fasten the motor on your back, next you take a French harp and start playing that old fashion song, "Whistle While You Work!", and away you sail. To stop this doojigger you got to sing another old time song--After I Say I'm sorry." That will stop it.

STUDENTS FIND NEW FILMS ENTERTAINING

Chino Poly High Students think that the new films shown last week are very entertaining and as a result, all films will be bought from the Hollywood Films Co. from now on.

These films are made from well known short stories, as include news topics of the week. The old films, which dealt only with fields of science and other dry subjects, will not be used any more.

These new films are full-color, three-demension pictures and of course, all are sound. All the students think they are "swell," so that means they are here to stay.

Mr. Roy Williams should be thanked for procuring this new type of film for us, and we all wish to thank the director of motion pictures. This is Roy's second year here, and he certainly has brought the course up to a new level.

store it up for the summer months. The dam will be two miles wide and 500 feet thick. Thousands of skilled and unskilled workmen are pouring into the city by the 12:00 o'clock daily train, street car, and bus. A tent city is being built at the site of the dam to accommodate the workers. The engineer of this project states that the dam is expected to be completed within two years.

Last year he gained recognition from that movie commentator, Arthur Andozola, and has been rising ever upward and onward in the Hollywood of Pomona valley, Chino.

The Chino band has surely been coming up the last few years. The present band of 100 pieces now excels any band in the country, just recently playing at Bridges Auditorium. Ten years ago, a small band of 30 pieces was struggling for existence. Having just bought some new uniforms consisting of blue capes and caps, white trousers, they thought they were just about it. Now with five drum majors and majorettes, uniforms costing \$40 each, and 100 pieces, it is the foremost band in the country, excelling many large university bands . . .

SHORTER SCHOOL DAY

Chino students agree 100 per cent on the new four hour school day now in effect at Chino Poly Hi. The hour hours have proved quite satisfactory, as one is able to take a P.E. class, a study hall, and two hours of motion pictures or radio instruction. This gives one a very thorough education.

It also eliminates the possibility of getting disease called neurosthenia, which comes from overworking the brain. With this shorter day in effect, many more competent students will no doubt graduate for this school.

Noted Hunter and Former Student Makes Astounding Discovery

Long scoffed at tales of a queer animal which has been haunting this region have at last been proved to be true. Col. Myron Harrington on one of his extensive hunting trips into the wilds of Carbon Canyon, has brought back definite proof of the existence of the "Jabberwaulk".

To date, only rumors of this horrible monster have reached the ears of the public. Now the breath-taking bravery of the Colonel will warrant the publishing of the true facts of the case in a book by Prof. Quentin Moore, the noted educator and author.

Colonel Harrington who won world fame as a hunter in the tropics after his graduation here, has made many wonderful trips, but never one like this. We feel that his statue should rest happily ever after in the Smithsonian Institute.

AQUATIC EVENTS VERY POPULAR

Since Chino Poly High has had the new hundred yard swimming pool, people in this vicinity have become swim-minded, in fact the whole Tri-County League has. The league swimming meet held here in May, was one of the biggest events of the year, with students making a brilliant showing for Chino. Although we have had a pool but a short time, it didn't take long for everyone to become interested enough to put across this Tri County swim meet. We should feel sorry for the students, who ten years ago, didn't have a pool to keep cool in on hot days. We are indeed fortunate to live in such a wonderful age as this when we have such educational opportunities.

ger, Whittington, and Morales won the league for the first time, but were defeated by the Santa Barbara Vaqueros, 27-0, in the playoffs.

Bobby Brooks Star of Chino

With Bobby Brooks, son of Coach Otis Brooks, leading the way, Chino High last week won the Southern California Championship.

Bouncing Bobby scored all four touchdowns and converted three times from placement. The first touchdown came when center Larry Dickey, son of Levi Dickey, blocked a punt and Bouncing Bobby crashed from the four yard line. The other three touchdowns were made on runs of 68, 42, and 31 yards respectively. He was aided by some deadly blocking on the part of Melvin and Raymond Cummins, brothers of a former Chino star, Gene Cummins. Bobby Sholander, end, son of Jesner Sholander, turned in a marvelous game by throwing the Santa Barbara backs for losses time after time. Much credit should go to Coach Brooks and his assistant Elbert Johnson, who once starred for Chino, for a fine job.

Besides winning Southern California, the boys also won for the tenth consecutive year the Tri County League Championship. This winning streak started back in 1937 when a team composed of Captain Wright, Abbott, Hongola, Hoffman, Strona, Martinez, Hood, Solomon, Wells, Ayala, Allen, Cummins, Wood, Preston, Bur-
